

Dental-Union GmbH donates EUR 6,000 to Bärenherz

The company “Dental-Union GmbH” in Rodgau presented a generous donation of EUR 6,000 euros to Wiesbaden’s “Bärenherz Stiftung”, a charitable foundation, on 10 November 2023.

Thanks to the traditional sales campaign for OMNIDENT products via the “Aber Hallo” advertising flyer, a considerable sum was once again raised this year thanks to numerous buyers. As a sponsor of Bärenherz, Dental-Union GmbH would like to thank its committed customers for their loyalty and support in favour of Bärenherz. This donation serves to support and improve the living conditions of seriously ill children and their families.

The team at Dental-Union GmbH is proud to be able to contribute to such a positive change in the community.

Wiesbaden’s Bärenherz Stiftung is a charitable foundation that has been lovingly providing care and support for children with life-limiting illnesses and their families since 2003. In the two sponsored children’s hospices in Wiesbaden and Markkleeberg near Leipzig, families are accompanied from the diagnosis to the passing of their child, and in the time beyond. And the “Nesthäkchen” children’s centre in Hünstetten in Germany’s Taunus region also deserves a mention here.

In order to expand its field of activity and be able to support even more people, Bärenherz has begun construction of an extension building in Wiesbaden. The foundation is dependent on donations to realise this project. Every contribution, be it small or large, can make a significant difference and make life easier for the families affected. Join us and help us by, for example, telling others about this project, distributing or displaying Bärenherz flyers, linking to the Bärenherz website, or even making a donation yourself.

With your support, you help to give children and young people with little time left a place and sense of security.

For more information on the extension work and the activities of Bärenherz, please visit the website www.baerenherz.de. You will find detailed information there.
