

Dental-Union supports Bärenherz Stiftung with €10,000 – doing good together

In 2025, Dental-Union GmbH was once again able to provide strength in difficult times with its traditional sales campaign for its Omnident products, advertised in the "Aber Hallo" flyer.

Thanks to the generous support of Dental-Union and Omnident customers, donations amounting to €10,000 were raised for the Bärenherz Stiftung in Wiesbaden.

"We are proud to be a sponsor of this extraordinary foundation, which has been tirelessly dedicated to seriously ill children and young people and their families for over twenty years."

With the opening of the first children's hospice in Wiesbaden in 2002, Bärenherz created a place that connects people with warmth, trust, and security.

We would like to take this opportunity to sincerely thank our customers, who made a valuable contribution by taking part in this campaign – your commitment has made all the difference!

For further insights, we recommend Bärenherz's podcast:
