

Dental-Union GmbH Fundraiser for Bärenherz

Thanks to the "AberHallo" sales campaign for OMNIDENT products, Dental-Union GmbH once again raised considerable funds for the Bärenherz children's hospice in Wiesbaden this year.

In September 2017, Dental-Union GmbH handed over the donation in the form of a cheque in the amount of € 5,000 to Mrs Eli-Klein, Vice Director of the Bärenherz Foundation.

For more than ten years, Dental-Union GmbH has been sponsoring the Bärenherz Foundation, a shelter that provides a safe haven for families with children whose lives are being cut short and who have a terminal illness. This is where they find advice, quality care, loving support, relief and comfort, from the diagnosis to the child's death and beyond.

"Meanwhile, we have developed a deep friendship and trusting cooperation. The staff members deserve our greatest respect for what they do for patients and families alike," says the management of Dental-Union GmbH.

"Having a healthy child is a great miracle and should not be taken for granted. We are therefore very proud that our fund-raising campaign is so well received by our customers.

We hope that many more people will get involved in this good cause and support Bärenherz."
